Forward

We the Class of '79 have chosen "The Times of Your Life" as the theme for our CREST. We hope that as you look through this book some of the best times you've shared with your friends throughout your high school years will be captured, and treasured by you always.

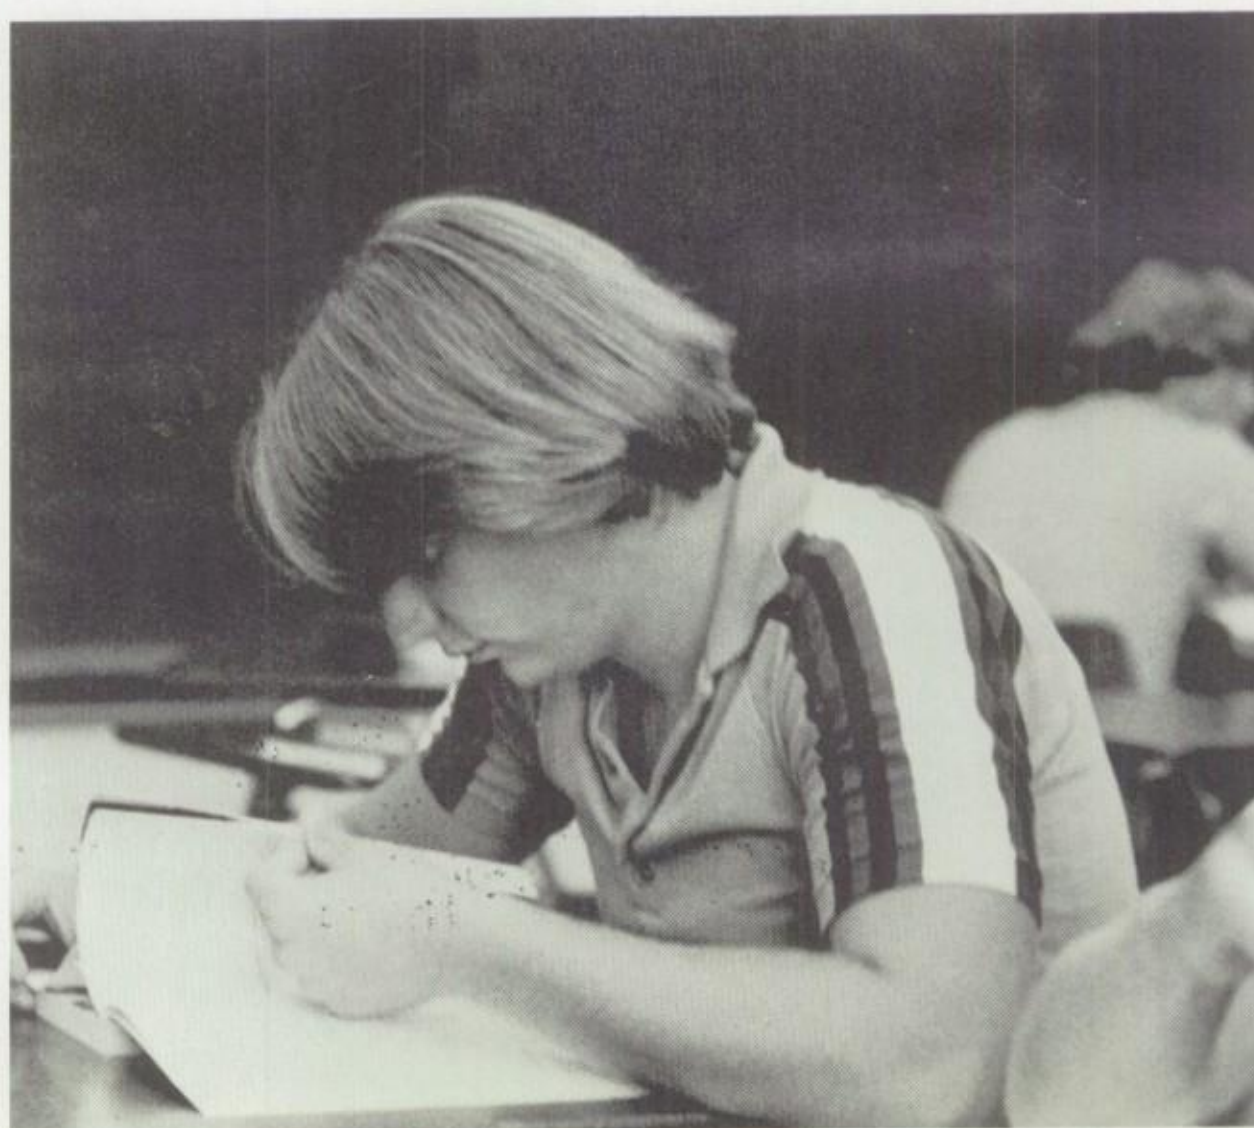

Good morning Yesterday

You wake up, and time has slipped away

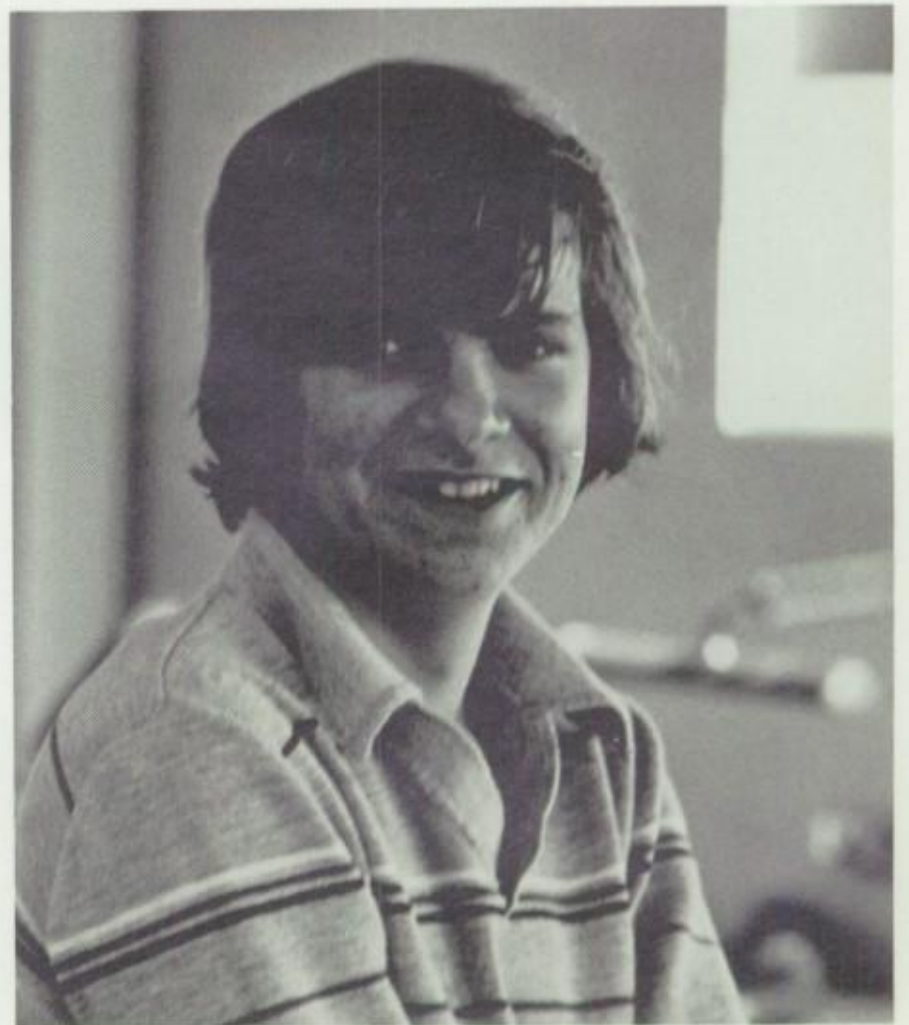

*And suddenly it's hard
to find—*

*The memories we
left behind, remember.*

*Do you remember—
the laughter and the tears,
The shadows of
misty yester-years?*

*The good times and
the bad you've seen—
And all the others
in between, remember.*

Do you remember the times of your life?

*Reach back for the
joy and the sorrow,
Put them away
in your mind.*

*For memories are times that you borrow—
To spend when you get to tomorrow.*

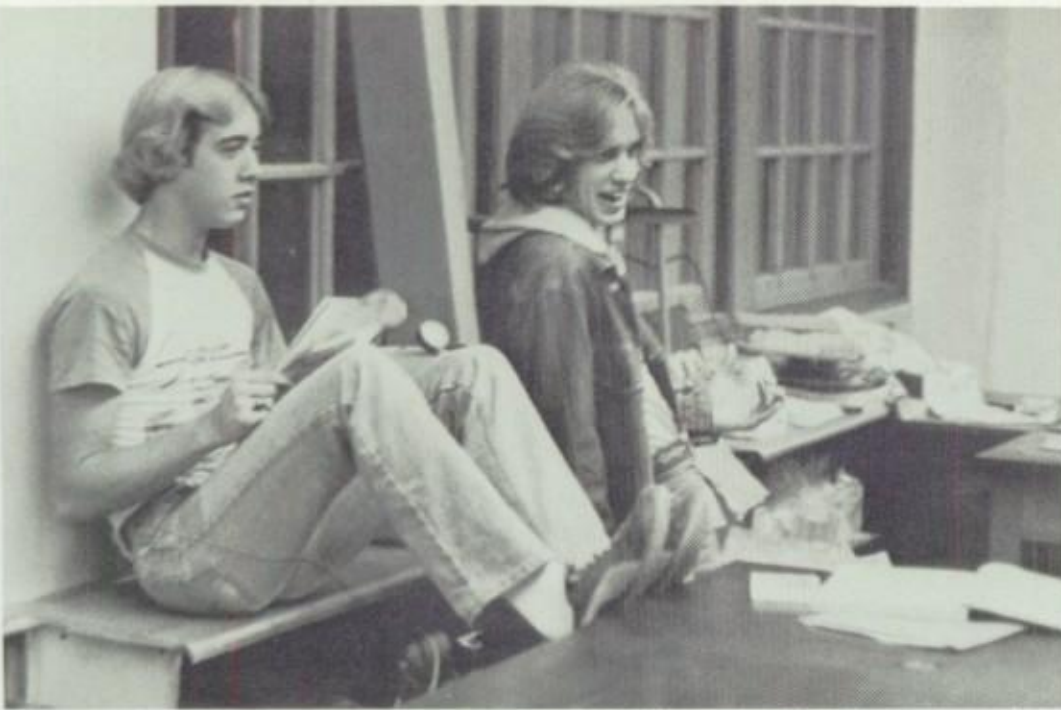

*Here comes
the setting
sun,*

*The seasons passing
one by one*

*So gather moments
while you may,*

*Collect the
dreams you
dream today,
remember.*

*Will you remember
the times
of your life?*

Mr. Richard J. Zipp

Dedication

The person we have chosen to dedicate our yearbook to is not someone who has made a contribution only to our class. His contributions go beyond the boundaries of Jr.-Sr. High School to encompass the entire district and its' people.

His work in the field of education has been realized in many positions. His first contact with Wilson students was as Principal of the Thomas Marks Elementary School. As Principal, he re-established the Parent-Teacher Association at T.M. which has grown to become one of the outstanding PTA's in Western New York. He has since been awarded a lifetime membership in that organization.

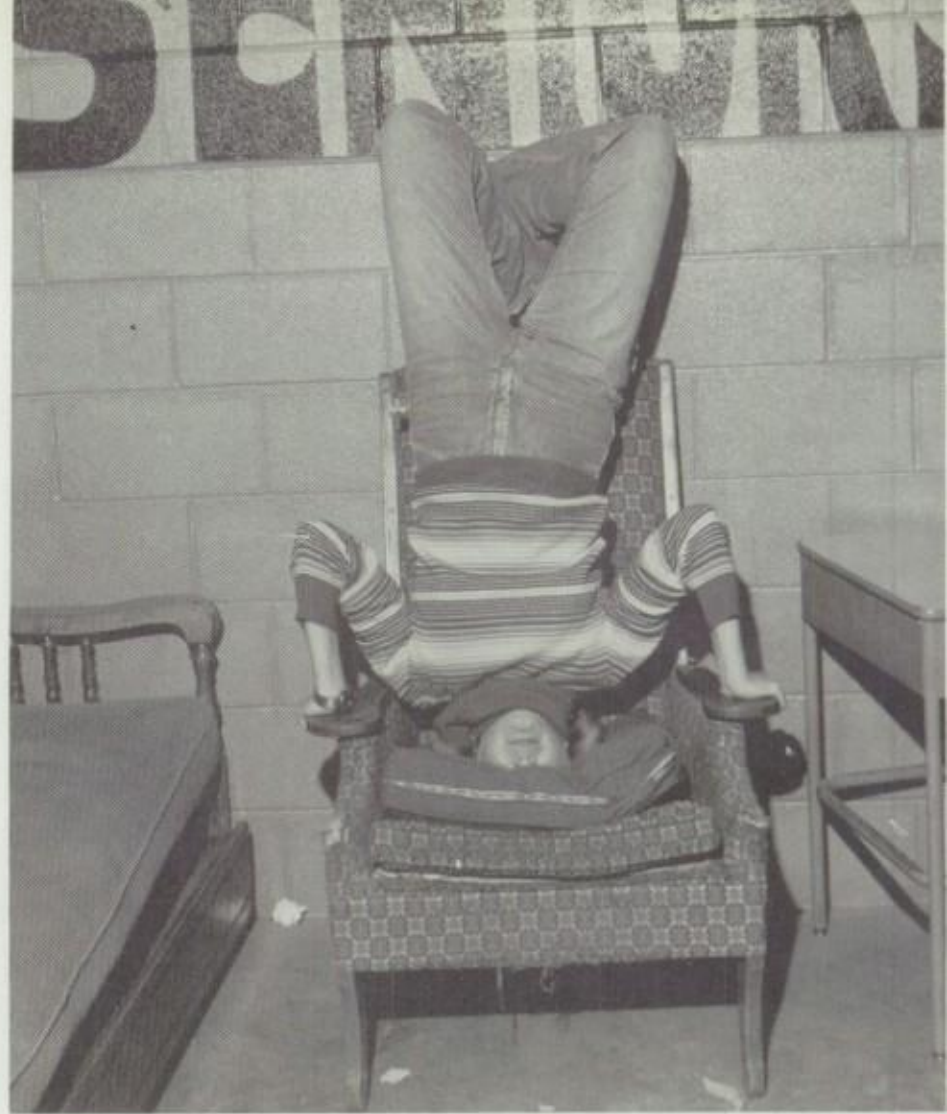

His community involvement has included very active participation in the Wilson Volunteer Fire Company, the local Lions Club, and area sports activities.

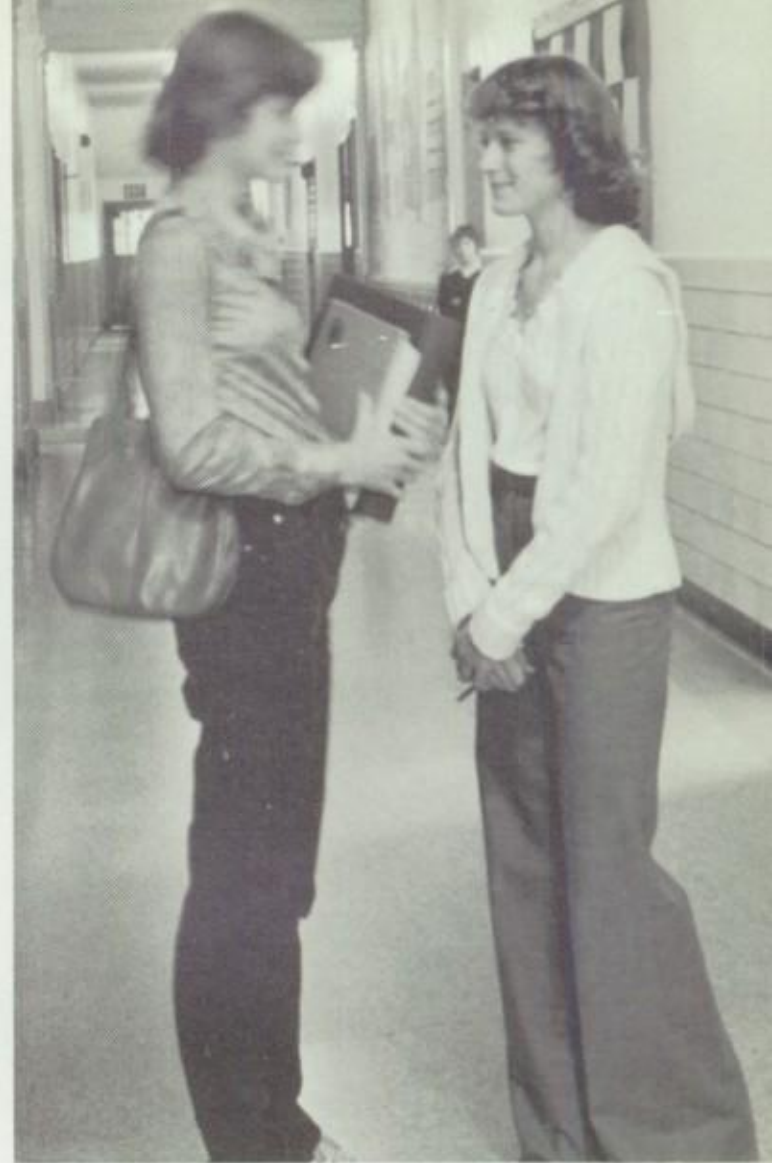

Since July, 1972 he has served as Wilsons' Superintendent of Schools. His vision, determination, and drive has resulted in the expansion of educational programs, inter-scholastic athletic programs and facilities, renovation of the Jr.-Sr. High School science rooms, and modernization of the districts' two Elementary Schools.

His major accomplishment has been the successful referendum to fund a building renovation and addition to the Jr.-Sr. High School. The beautiful facilities, which have been completed, are the fulfillment of a dream of students past, present and future, Board of Education members and the communities the school serves.

As a token of appreciation for these and many other accomplishments, we the Class of 1979 wish to say Thank You to Mr. Richard Zipp by dedicating our yearbook to him.

In Remembrance

Russell Yousett

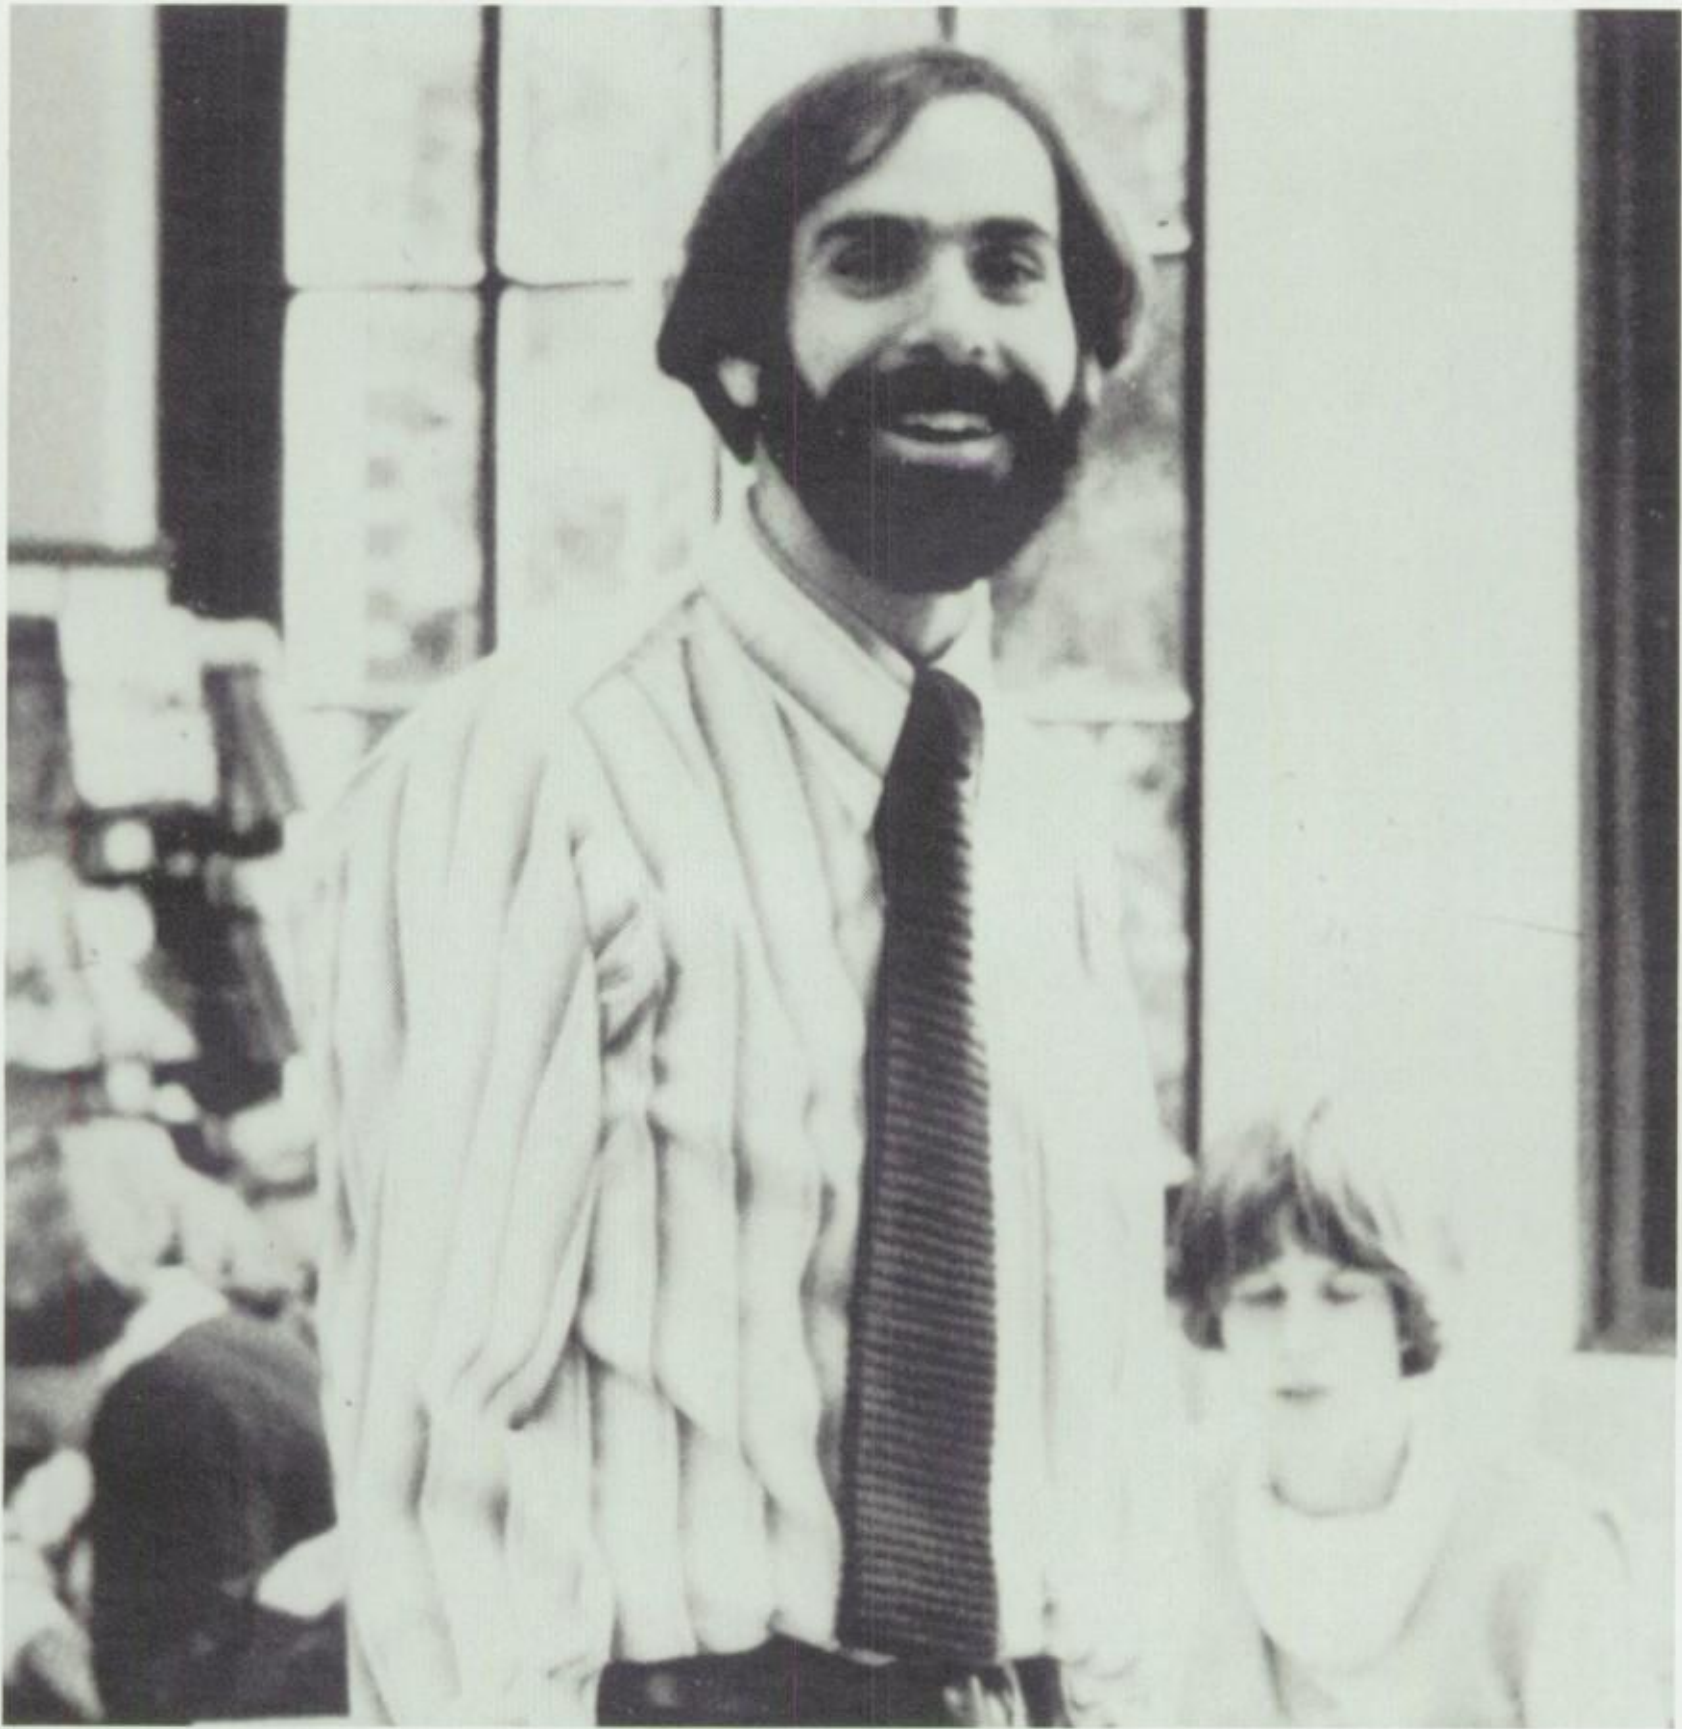

We, the class of "79" wish to dedicate this page in remembrance of Russell Yousett who died tragically on April 21, 1978 in an automobile accident. It was a shock to both his family and friends.

Russell remains in the memory of his class mates and good friends. He was very active in 4-H, he loved snowmobiling and working on cars. In school he was

involved in Jr. High Wrestling and he attended B.O.C.E.S. for auto mechanics.

All of us at W.C.S. who knew Russell will remember him always for his pleasant personality and being a friendly, kind and considerate person. That is why the class of "79" is pleased to dedicate this page to him.

In Appreciation

Phillip Petrosky

We the class of 1979 would like to thank Mr. Phillip Petrosky for all of the help he gave us in the two years he taught at W.C.S. Mr. Petrosky was not just a teacher he was a friend. He was always willing to listen and help anytime we needed a new idea, he was there with the plans already made. Many times he gave up his free time to chaperone a dance, rollerskating party, or sporting event when we couldn't get anyone else. Anytime we needed help Mr. Petrosky was there. For these reasons the class of 1979 offers Mr. Petrosky our deepest gratitude and sincere thanks.

Foreign Exchange Student

This year W.C.S. was honored to have as our foreign exchange student Marta Berdugo, from El Salvador in Central America. She has been staying at the home of Kathy & Karen Ingalsbe. Marta enjoys reading, dancing and being with her friends. She is studying to become a Bilingual Executive Secretary. She would like to thank all her teachers, classmates and friends for being such wonderful people.

J. Stapf—Senior Class co-ordinator

Mrs. Stapf has seen us through the most difficult times of our high school years. She has worked hard to keep the class together. She has done a terrific job guiding us through our Jr. and Sr. years. Without Mrs. Stapf's help we probably would never have raised enough money to have a yearbook, prom, picnic, or trip.

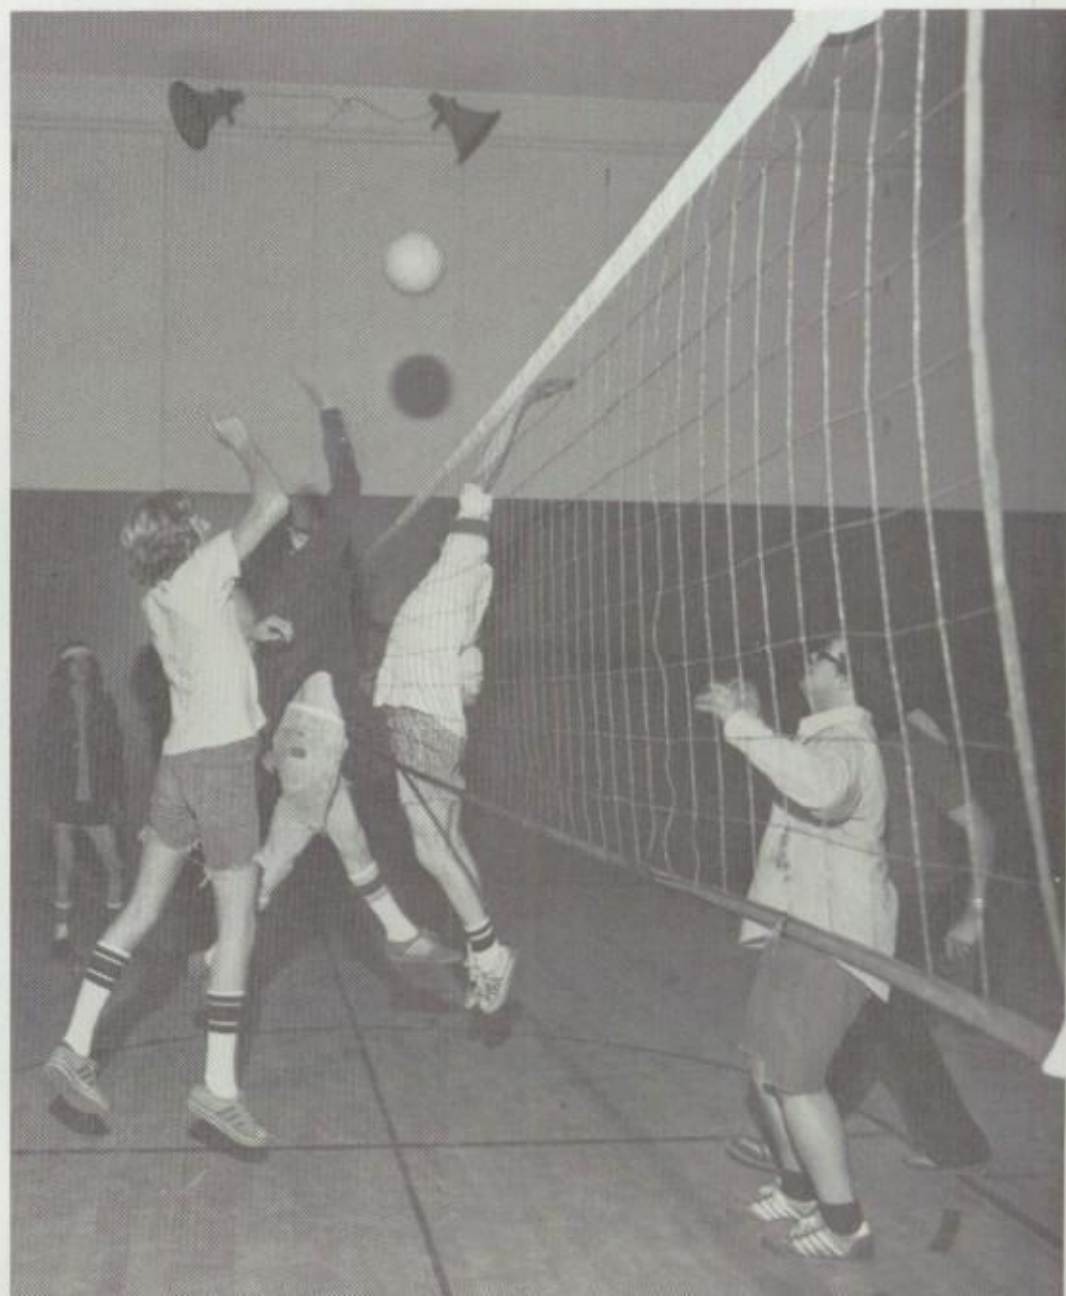

As a class we are truly grateful to Mrs. Stapf for everything.

Principal's Message

The "Times of Your Life" are made up of moments to relive and memories to recall. Bittersweet as they may be, may you long remember your days at Wilson Central School.

Mr. Wesley Johnson

Junior High Principal

The class of 79 is grateful to Mr. Wesley Johnson for his help and guidance during our Junior High years. As the Junior High Principal, he was our first rule-maker, and the first to show us what was expected of us at Wilson.

The Sr. High Chorus has been working exceptionally hard this year. Under the direction of Mrs. Lynda Williams, they gave three concerts. The traditional Christmas concert featured 3 selections from Handel's Messiah. On Palm Sunday they performed a special concert with the N.C.C.C. orchestra and chorus featuring the Valivi Gloria. They ended the year with a fantastic Spring Concert. In addition to their concerts they sold calendars and furnished refreshments at the fishing derby in October. We are proud to have such a hardworking organization within our school.

Class

On Sept. 1973 the graduating class of 1979 came together. Graduation, however, was the farthest thing from our minds. We were too busy memorizing our schedules, meeting new people and keeping away from the big SENIORS! Together we shared many new experiences. In Miss Grzybowski's English class we had our first Toga party. The cafe was probably the biggest change. No more lights out and we were allowed to walk around and sit wherever we wanted.

Eighth grade was the year to get involved. Everyone was joining clubs. If it wasn't Yorkers it was Sports, Art Club, or Student Council. For many of us it was our first chance at stardom with Miss Moores show leading the way. After our huge success in the show, some of us decided to proceed with our "careers". The Srs. opened their play to the entire school so we tried out for the "Wizard of Oz." Our egos were deflated just a little when we found out they wanted to use us as munchkins.

Ninth grade was a year of the firsts. We elected our first class officers, worked on our first float and won our first Spirit week. We had our first party, first dance and first sale, who can forget those beautiful orange and black PENANTS! It was our first chance at J.V. and Varsity Sports. Mr. Toenniessen made his debut as "chief barbecuer" at our first class picnic where everyone got soaked. During the Sr. Play it was a freshman who stole the show when his wig fell off. That has to be a first of some sort.

Tenth grade was the year for traveling. After winning Spirit Week for the second year in a row a bunch of us took a vacation to GANY with the Biology Club. Mr. Hartz will never forget the trip. Next came Stratford with the English department. We enjoyed the plays even if we did have difficulty with the vocabulary. To finish the year was our class picnic to Brock's Monumntent across the border. This time Mr. Proefrock did the cooking, it was an experience some of us will never forget. In addition to our travels we participated in quite a few money making activities involving our Stationery Sale which was a huge success along with our

History

dance featuring "Woodbridge" and our Roller Skating party.

Eleventh grade was the year for togetherness. We shared a lot of memories this year. We participated in the Jr.-Sr. Magazine sale, the girls competed in powderpuff and for the third time we won Spirit Week. Our Jr. Play "Charlies Aunt" was a lot of fun. In Dec. we received our class rings which linked us together as one group, the Class of 1979. Together we participated in the "Anything Goes" Christmas Assembly, Computer Dance, Rollerskating and sporting events. Probably the most important time we were together as a class was Moving Up Day 1978, when we were officially announced SENIORS. From that day forward we worked together to prepare for our Senior Year. We had a picnic at Fort Niagara, we painted the lounge and took Driver Ed. Then Sept. arrived and it was the beginning of our—

Senior Year. The year started out on the right foot. Our Homecoming was a huge success. We won the Powderpuff game and we were the only class to ever win Spirit Week four years in a row. We also won the magazine sale. The lounge was beautiful, the pop machine gave us some trouble but, no one really minded. We got our Senior passes, along with the list of rules to follow. We had Sr. pictures taken along with yearbook shots.

All too soon we were watching the "Christmas Feud" assembly and we realized the year was half over. After mid terms there was the rush to finish the yearbook and the beginning of our Sr. Play. Soon enough it was May. Everything seemed so jammed together, first came Moving Up Day, the Prom, Class Night, the picnic, our trip to Toronto and before we knew it we were practicing for graduation. Our high school years were over. We'll never forget the friends we made nor the good times we've shared. June 24 we graduated at Artpark in Lewiston with separate paths ahead—and with these final words a portion of our life is over, but whoever we are and wherever we go we'll always have our memories and a part of us will always remain here.
